

## To Whom It May Concern

Tuesday 2/6/15

Solprom Pty Ltd has been dealing with Silver Temp since 12/11/12.

I have always found Art Beavis (Silver Temp Managing Director) to operate in a professional and business like manner.

His invoices are prompt and correct, after the service is delivered.

Silver Temps service staff are trustworthy, efficient, knowledgeable and fit into my company's operation.

I would be happy to recommend Silver Temp to other interested businesses.
